Section A. Facility Data

Facility No. T334D
Facility Descriptor: Office Trailer, 600 square feet
Project: RISS - Area 3 D&D
Date of Demolition: January 17, 2003
Additional Information: Sold through PU&D. Electrical power feeders were removed to the nearest utility pole per site configuration control procedures. Fire water was isolated and capped at a point 3 feet below grade. A map of utility disconnect locations will be maintained and submitted to the AR on project completion. No other utilities serviced the trailer. Environmental Restoration will perform removal of surface pads and walkways (concrete and asphalt). Site restoration will be performed during the final land configuration for Rocky Flats.
A review of the Tank, ICMS (chemical) and WEMS databases show that all tanks, chemicals, and waste and units have been closed and removed for this facility.

(Must include information on environmental releases and conditions of site at turnover to Environmental Restoration)
